Now the clock is striking one  
So we might as well begin it  
As there's dancing to be done  
And our time is not infinite

If there's such a thing as love  
(Such a thing as love)  
If there's such a thing as love, I'm in it

So you claim you love me too  
Lloyd's of London guarantee it  
Gaze into these eyes of blue  
You do love me I decree it

If there's such a thing as love  
(Such a thing as love)  
If there's such a thing as love, give me it

When I was two and a half  
My momma said to me  
"Love is funny, you will laugh  
Till the day you turn three"

Like a kitten up a tree  
Needs a fireman to rescue it  
So your fireman I will be  
And I'll really get into it

If there's such a thing as love  
(Such a thing as love)  
If there's such a thing as love, let's do it

I thought I'd known love before  
That was not it but I thought it  
So I thought I'd win the war  
Or I never would have fought it

If there's such a thing as love  
(Such a thing as love)  
If there's such a thing as love, I've caught it

If there's such a thing as love

(Such a thing as love)  
If there's such a thing as love, I've caught it

If there's such a thing as love  
(Such a thing as love)  
If there's such a thing as love, I've caught it
