Sing me the kind of song you hear in an operetta  
In an operetta  
Sing me the words I long to hear out of Violetta  
In an operetta

She will fast be outcast from her castle with nary a  
friend  
But since she's a princess, there's hints of a prince in  
the end  
She'll enjoy some employ as a boy with her name  
changed to Pip  
Soon by gum she'll become the brave captain of some  
pirate ship

Singing a thing fit for a King in an operetta  
In an operetta  
It's the all singing all dancing, Princess Violetta of the  
operetta  
In an operetta, within an operetta
