I'm a hopeless romantic  
You're a terrible flirt  
Cool and unfazed  
You're always amazed  
When someone gets hurt  
I live on the blue planet  
That I saw in your eyes  
But now I can't stay  
Knowin' it's made  
Of beautiful lies

But my sentimental melody  
(Sentimental melody)  
Like a long lost lullaby  
(Lullaby)  
(Will)  
Will ring in your ears  
Down through the years  
Bringin' a tear to your eye  
Goodbye

Love can kill people, can't it  
Well it still might kill me  
Each drop of rain  
Is a glass of champagne  
It's sweet and it's free  
When I drink, I don't panic  
When I drink, I don't die  
When I'm far gone  
It's all just a song  
Just beautiful lies

But my sentimental melody  
(Sentimental melody)  
(Like a)  
Like a long lost lullaby  
(Will)  
Will ring in your ears  
Down through the years  
Bringin' a tear to your eye  
(To your eye)  
Goodbye
