I'll linger here  
Your ring upon my finger, dear  
And sing till dawn  
A song of you and me and what and why

For time is all  
I have to keep  
Between these walls  
And half asleep

The days go by  
A million little nights  
And days go by  
And I don't mind  
Parades go by  
So many beautiful parades go by  
Leave me behind

I'll sit and stare  
How could I venture anywhere?  
And let the centuries fall where they may  
But never die

For I have loved  
And so I lost  
The world above  
Beyond the moss

The days go by  
A million little nights  
And days go by  
And I don't mind  
Parades go by  
So many beautiful parades go by  
Leave me behind

The days goes by  
(Goes by)  
Parades go by  
And I don't mind  
Parades go by  
(Parades go by)

Parades go by  
Leave me behind
