

The Magnetic Fields "Queen of the Savages"

Visit "[Queen of the Savages](#)" on MotoLyrics.com

My girl is the queen of the savages
She don't know the modern world and its ravages
Instead of money she's got yams and cabbages

She lives in a dome
I don't care if I never get home
My girl is the queen of the jungle folk

You should see the things we see when we smoke
We think all of life is a funny joke
She's sharp as a tack
I don't care if I never get back

My girl is the queen of ten villages
We live on the fruits of her pillages
She eats other queens, she's very religious

She doesn't use a fork
I don't think I'll go back to New York
