Dull people exist
to make sharp people
feel sharp
relatively

and I'm dull
absolutely

and you're sharp
positively

homely people exist
to make lovely people
feel lovely
relatively

and I'm homely
absolutely

and you're lovely
positively

and I need you
absolutely

and you need me
relatively

gloomy people exist
to make cheery people
feel cheery
relatively

and I'm gloomy
absolutely

and you're cheery
positively

wrong people exist
to make right people

feel right
relatively

and I'm wrong
absolutely

and you're right
positively

and I need you
absolutely

and you need me
relatively
