I know all the names of your tears
And numbers of these lonely years
I know all the someones some days
Don?t believe them anyway

When you love someone
You can?t always tell the sun
It will be twilight soon
Save a secret moon

In a darkened room
Write it on a black balloon
Then watch it fade from view
Save a secret for the moon

I can show you sadder poetry
Than you ever dreamed there could be
I know all the saddest people
Most of them are dead now

When you love someone
You can?t always tell the sun
It will be twilight soon
Save a secret moon

In a darkened room
Write it on a black balloon
Then watch it fade from view
Save a secret for the moon
