On the ferris wheel  
Looking out on Coney Island  
Under more stars than  
There are prostitutes in Thailand

Our hair in the air  
Our lips blue from cotton candy  
When we kiss it feels  
Like a flying saucer landing

And I can't sleep  
'Cause you got strange powers  
You're in my dreams  
Strange powers

In Las Vegas where  
The electric bills are staggering  
The decor hog wild  
And the entertainment saccharine

What a golden age  
What a time of right and reason  
The consumers king  
And unhappiness is treason

And I can't sleep  
'Cause you got strange powers  
You're in my dreams  
Strange powers

The sun pours down like money  
The moon runs down like mercury  
The stars fall down like money  
And you come down to me

And I can't sleep  
'Cause you got strange powers  
You're in my dreams  
Strange powers

And I can't sleep  
'Cause you got strange powers

You're in my dreams  
Strange powers
