Please forgive me for all the things I've done
Sugar, give me the love I need to carry on
Living, living without you, I'd just die

With you, with you I can hold my head up high
And tell the crowd that I'm so proud
It makes me want to cry

Sugar World, of you
Sugar World, what can I do?
Sugar World, you're so sweet
You're a Sugar World to me

Sugar save me, come on save me from myself
Enslave me, I never wanted anything else
Looking, looking into your candy eyes

Talking, talking about the day when
I can make a vow, but that's not now
It makes me want to cry

Sugar World, of you
Sugar World, what can I do?
Sugar World, you're so sweet
You're a Sugar World to me

Sugar World, of you
Sugar World, what can I do?
Sugar World, you're so sweet
You're a Sugar World to me
