People of Earth, when you dance, dance the Dada Polka  
Life is only a dream  
When in the mood for romance dance the Dada Polka  
Be as cute as you seem

Gyrate like a gyroscope  
Collide like a kaleidoscope, freeze

Do something, anything  
Do something please

People of Earth don't just stand there  
The Dada Polka is as fun as it sounds  
Move hips and hands when the band plays the Dada  
Polka  
You may lose a few pounds

Gyrate like a gyroscope  
Collide like a kaleidoscope, change

Do something, anything  
Do something strange

People of Mars you too must do the Dada Polka  
It's the meaning of life  
Fill any partner with lust, do the Dada Polka  
Soon there'll be a new wife

Gyrate like a gyroscope  
Collide like a kaleidoscope, do

Do something, anything  
Do something blue

Do something, anything  
Do something a little out of character, it won't kill you  
Do something, anything  
Do something true
