Before you left your garrison  
You'd had a drink, maybe two  
You don't remember Paris, hon  
But it remembers you

It's true, we flew to Paris, dear  
Aboard an Army jet  
The night you can't remember  
The night I can't forget

You said I was terrific  
It meant zilch to you, ah  
But I have our marriage certificate  
And I'll keep it till I die

You were an Army officer  
And I just a Rochette  
The night you can't remember  
The night I can't forget

No rose conveyed your sentiments  
Not even a petunia  
But you've got vague presentiments  
And I've got little Junior

You said, nobody loves me  
And I said, wanna bet?  
The night you can't remember  
The night I can't forget
