I was only doing my job for the company  
With a gun in my pocket and no identity  
I fell in love with you but we're not free

Tokyo a-go-go, Tokyo a-go-go  
The dancing spies with evil eyes that walk the night  
Tokyo a-go-go, Tokyo a-go-go  
In colored scenes the dancing queens with lazer  
beams

You were just another boy only seventeen  
Well designed for giving pleasure just a love machine  
Now we've got to run away, we're turning green

Tokyo a-go-go, Tokyo a-o-go  
The dancing spies with evil eyes that walk the night  
Tokyo a-go-go, Tokyo a-go-go  
In colored scenes the dancing queens with lazer  
beams
