Grand pianos crash together when my boy walks down
the street

There are whole new kinds of weather when he walks
with his new beat

Everyone sings "Hallelujah" when my boy walks down
the street

Life just kind of dances through ya from your smile
down to your feet

Amazing, he's a whole new form of life
Blue eyes blazing and he's going to be my wife

The world does the "Hula-hula" when my boy walks
down the street

Everyone thinks that he's petula so big and yet so
petite

Butterflies turn into people when my boy walks down
the street

Maybe he should be illegal, he just makes life too
complete

Amazing, he's a whole new form of life
Blue eyes blazing and he's going to be my wife

Oh, shadows of echoes of memories
Oh, things that he brings that he found in the sea
Oh, shadows of echoes of memories of songs
Oh, how could he know that it won't be long?

Grand pianos crash together when my boy walks down
the street

There are whole new kinds of weather when he walks
with his new beat

Everyone sings "Hallelujah" when my boy walks down
the street

Life just kind of dances through ya from your smile
down to your feet
