When the rhythm calls  
The government falls  
Here come the cops  
From Tokyo to Soweto, viva la musica pop

We are black and white  
And we dance all night down at the hop  
And the letters were tall  
On the Berlin Wall, viva la musica pop

So if you're feeling low, stuck in some bardo  
I, even I know the solution  
Love, music, wine and revolution  
Love, love, love music, wine and revolution

This too shall pass  
So raise your glass to change and chance  
And freedom is the only law  
Shall we dance?

This too shall pass  
So raise your glass to change and chance  
And freedom is the only law  
Shall we dance?

So if you're feeling low, stuck in some bardo  
I, even I know the solution  
Love, music, wine and revolution  
Love, love, love music, wine and revolution

So if you're feeling low, stuck in some bardo  
I, even I know the solution  
Love, music, wine and revolution
