you think I'll run not walk to you  
why would I want to talk to you  
I want you crawling back to me  
down on your knees yeah  
like an appendectomy  
sans anaesthesia

if you think you can leave the past behind  
you must be out of your mind  
if you think you can simply press rewind  
you must be out of your mind, son  
you must be out of your mind

you want what you turned off, turned on  
you call it sunset, now it's dawn  
you can't go 'round just saying stuff  
because it's pretty  
and I no longer drink enough  
to think you're witty

if you think you can leave the past behind  
you must be out of your mind  
if you think you can simply press rewind  
you must be out of your mind, son  
you must be out of your mind.

you want to kindle that old flame  
I don't remember your real name  
it must be something scandalous  
lurks in your shadows  
if you need a santa claus  
to buy your gallows

if you think you can leave the past behind  
you must be out of your mind  
if you think you can simply press rewind  
you must be out of your mind, son  
you must be out of your mind.

you must be out of your mind, son  
you must be out of your mind.
