So I've taken a contract out on you  
I have hired a hit man to do what they do  
He will do his best, to do his worst  
After he's messed up your girlfriend first  
I said he'll do his worst...to your girlfriend first  
Cause I have hired a fixer for her too  
For stealing my lover and making me blue  
He'll have two holes off your twisted face  
After he blows off your girlfriend face  
I want the whole wide face  
Where he hit your girlfriends face  
So I've taken a contract out on y'all  
For making me feel infinitely small  
In the evenings I devised your death  
Being buried arrive on crystal meth  
Baby I think he's dead  
By by by crystal meth  
Baby I think he's dead  
By By by crystal meth  
Baby I think you dead  
By by bye crystal meth  
Baby I think youuu dead  
By by by bye crystal meth
