I was a fool to let you go
Let you walk right out my door
It was a bad mistake I made
and I regret to this day
If i had second chance
girl i promise i'd make it last
So tonight I erase my pride
If you let me back inside
Baby come back
Baby come back to me
I don't want to be free
Baby come back to me
Baby come back
Baby come back to me
I don't want to be free
Baby come back to me
Over and over I try to forget you
But it seems to hard
My feelings for you i can't disregard
You're not my baby anymore baby
All i want you to do is bring your love back to me baby
It's not about sex baby
you're the best lay
Please have baby
Forever my lady
