Don't give meeh an inch  
Cuz I'll take it all now  
Another style for you to hate  
I sat up today, my style in the straight  
And if you care to relate

No, you can't copy meeh  
Cuz I been changed  
Stay in your lane  
Remain with the straight  
Don't cross that line  
You goin' out of your mind  
I got that grind so don't you hate meeh

You can judge meeh wrong  
Don't leave, home without my game face on  
Got it goin' on  
see my head is strong  
Don't leave home without my game face on  
Gotta keep it on

Try to play meeh wrong  
Never forget you've got a game face on  
Got it goin' on  
When I wrote this song  
Say it in the mirror with my game face on  
Got it goin' on

Got it keep it on  
Stay true to the bone, freak of the moan  
So where they goin'  
Gotta be in the zone  
No chaperones, no earphone  
It's time to get it on

I don't know what you all be on  
But Got to be strong  
I'm about ready to move on  
Like Fidel Castro or Al Capone, Jodeci  
Everybody wants to go

You can judge meeh wrong  
Don't leave, home without my game face on  
Got it goin' on  
see my head is strong  
Don't leave home without my game face on  
Gotta keep it on

Got my game face on  
Got my game face on, gentlemen  
Steady, yeah

You can judge meeh wrong  
Don't leave, home without my game face on  
Got it goin' on  
see my head is strong  
Don't leave home without my game face on  
Gotta keep it on

I got my game face on  
you better walk a straight line
