mmmmmm  
mmmmmm  
listen baby aa  
listen  
like a rainbow after the rain  
like a cool summer rain  
like a flower growing by the spring  
in the middle of the desert  
your my oasis  
when I'm tired and thirsty yes you are  
you fill me up till I get enough  
your like dew drops on my face baby you gotta shake it

I just cant find the words to show you how much  
I really love you more  
there is no words to touch the thought of losing you  
makes me wanna cry everydays a brand new day

like an early morning sunrise  
oh baby your full of surprises  
and if it ain't with you  
I'm so glad God gave me you  
and if I had to change one thing about you baby  
I wouldnt change a thing  
don't you know that I'd give my life to protect you  
cause you brought me my dignity

I just can't find the words to show you how much  
I really love you more  
there is no words to touch the thought of losing you  
makes me wanna cry  
everydays a brand new day

oooo yeaaaaa a a  
I,I,I,I just can't find the words to show you how much  
I really love you more  
there is no words to touch the thought of losing you  
makes me wanna cry  
everydays a brand new day

oooooo oooooo

dont ever wanna lose your love nooooo  
heyyy hey heyyy

you you you you
