Hold up, love  
I know I'm not the one that you've been speakin' of  
Rumors start  
But all the time I was the one who gave you so much  
love

You came along  
I was already in they ear before I picked you up  
You broke my trust  
'Cause I thought you loved me, you just cashed in

Now I'm through with you (With you)  
You don't know what to do (To do)  
Now who's playin' fool  
(You loved me now it's ugly)

'Cause I'm not checkin' for you (No, no, no)  
Your hatin' day is through (So through)  
Without me there's no you  
(But now you're through 'cause I'm done with you)

It's your world made easy  
Now it's you tryin' to front and run game on me  
It's not like you can hang and sexy  
'Cause you wouldn't be known if you didn't know me

Hear me, mami, take it easy  
If you hate Jojo, you're hatin' K-Ci  
Speak up when they ask you, Shorty  
Who's the one that made you, then say that it's me

Now you think  
Every thing that I done for you came so easy, uh  
And now you seem  
To be actin' like it really was you that made me

But you don't see  
When you step out on the scene that they really see me  
And no one seemed  
To even really notice you 'cause you're not with me

Now I'm through with you (Through with you)  
You don't know what to do (What to do)  
Now who's playin' fool  
(You loved me now it's ugly)

'Cause I'm not checkin' for you (No, no, no)  
Your hatin' day is through (Said it's all through)  
Without me there's no you  
(Now you're through 'cause I'm done with you, you)

It's your world made easy  
Now it's you tryin' to front and run game on me  
It's not like you can hang and sexy  
'Cause you wouldn't be known if you didn't know me

Hear me, mami, take it easy  
If you hate Jojo, you're hatin' K-Ci  
Speak up when they ask you, Shorty  
Who's the one that made you, then say that it's me

Do you comfort you (Ooh...)  
Baby, I can't believe that I'm hearin' 'bout you  
Just comfort me (Hear me)  
Baby girl, you're crazy  
Baby, girl, it ain't cool

Do you comfort you (Ooh...)  
Baby, I can't believe that I'm hearin' 'bout you  
Just comfort me  
Baby girl, you're crazy  
I love you, baby

It's your world made easy  
Now it's you tryin' to front and run game on me  
It's not like you can hang and sexy  
'Cause you wouldn't be known if you didn't know me

Hear me, mami, take it easy
