Well where i come from,
You learn to take it nice and slow,
Baby since we met
Oh its been go go go

so you can rough me up
yeah baby you can hurt me too
because all I've got (all I've got)
you see all I've got is you

you can rough me up
you can break me down
baby don't stop now
Oh you can use me up till it all runs out baby don't stop
now
I'm all yours, I'm all your somehow
baby don't stop now

So where I come from
We learn to make the best of things
Honey since we met
You know you've had the best of me
so u can lock me out, yeah baby throw away that key

Because all I know is that this is where I want to be
you can rough me up
you can break me down

baby don't stop now
Oh you can use me up till it all runs out baby dont stop
now
I'm all yours, I'm all yours somehow
Baby don't stop now

you can rough me up
you can break me down
baby don't stop now
Oh you can use me up till it all runs out
Baby don't

Hey, you can rough me up
you can break me down

baby don't stop now
Oh you can use me up till it all runs out baby don't stop
now
I'm all yours, I'm all yours somehow
Baby dont stop now

Hey, hey, hey, hey, hey, hey
Oh honey don't stop now
Hey, hey, hey, hey
Well baby don't stop now
