I got your call
And now I'm here at your door
False alarm
'Cause you're not here anymore

I had it all in my head what I'd say to you
But you set me up again like you always do

The more you treat me cruel
Oh, it just adds fuel to the fire
(Fuel to the fire)
Tease me like you do
But it just fuels my desire
(Fuel to the fire)

You say you don't want me
I think you're a liar
Love or lust
It just adds fuel to the fire

(Fuel to the fire)
Fuel to the fire
(Fuel to the fire)

Sexy pics
You sent them to me on my phone
And now I'm here
And I can't get you alone

I think I'm just beginning to understand
That you just like having the upper hand

The more you treat me cruel
Oh, it just adds fuel to the fire
(Fuel to the fire)
Tease me like you do
But it just fuels my desire
(Fuel to the fire)

You say you don't want me
I think you're a liar
Love or lust

It just adds fuel to the fire

(Fuel to the fire)

Fuel to the fire

(Fuel to the fire)

I make you think you're the only one

But if we're not having fun

Then we're done

And who won?

The more you treat me cruel

Oh, it just adds fuel to the fire

(Fuel to the fire)

Tease me like you do

But it just fuels my desire

(Fuel to the fire)

You say you don't want me

I think you're a liar

Love or lust

It just adds fuel to the fire

(Fuel to the fire)

Fuel to the fire

(Fuel to the fire)

F-f-fire

(Fuel to the fire)

Fuel to the fire

The fire, yeah
