I come home in the morning light
My mother says when you gonna live your life right?
Oh mother dear we're not the fortunate ones
No mother dear we're not the fortunate ones
And girls they want to have fun
Oh girls just want to have fun
Oh girls just want to have fun
Yeah girls just want to have...

That's all they really want
That's all they really want
That's all they really want
That's all they really want
That's all they really want
That's all they really want
That's all they really want...

The phone rings in the middle of the night
My father yells what you gonna do with your life?
Oh daddy dear you know you're still number one
Oh daddy dear you know you're still number one
But girls they want to have fun, girls they want to have fun
Girls just want to have fun
Yeah girls just want to have fun
Yeah girls just want to have...

That's all they really want
That's all they really want
That's all they really want
That's all they really want
That's all they really want
That's all they really want
That's all they really want...

Yeah girls just want to have fun
Girls just want to have fun
Yeah girls just want to have fun
Girls just want to have...

That's all they really want

That's all they really want
That's all they really want
That's all they really want
That's all they really want
That's all they really want
That's all they really want...

Some boys take a beautiful girl
And hide her away from the rest of the world
I want to be the one to walk in the sun
When the working day is done
When the working day is done
