Photograph
Remembering the summer
It takes me back
To Southern California

Where the girls would all pass
On the boardwalk and laugh
At our desperate attempts
And our sunburned backs

We never had a chance
I remember that
And no matter what we do
We'll never lose what we had

Growing up
Won't bring us down
Yeah, growing up
It won't bring us down

Growing up
Won't bring us down
Growing up
Won't bring us down

Graduate
What's a kid to do now?
Get away, yeah-ah
We've got so much to prove

'Cause it's time to move on
And I start to let go
But then, 'Wonderwall'
Comes on the radio

I flashback to the night
In your parent's yard
When we drank too much
And we talked about God

Growing up
Won't bring us down

Growing up
It won't bring us down

We're in this together
Yeah, we'll make it somehow
Nothing's gonna stop us now

Growing up won't bring us down
Growing up won't bring us down
Growing up won't bring us down
Oh, oh, oh

Photograph
Oh, give me something to remember

Growing up
Won't bring us down
Growing up
It won't bring us down

We're in this together
Yeah, we'll make it somehow
Nothing's gonna stop us now

Growing up
Won't bring us down
Growing up
Won't bring us down
(Won't bring us down)

Growing up
Won't bring us down
(Won't bring us down)
Growing up won't bring us down
