Some things are out of my hands,  
I'm what time and consequence have made me  
Sit back and watch the world explode,  
Three, two, one here come the fireworks, baby

Some times you can feel so smart,  
just like a ghost in school clothes  
But my days, although mostly hazy,  
Three, two, one here comes the hurricane baby

Yeah, identify, identify,  
Yeah, identify, identify  
Don't stand in line, identify

Yeah, I bought the last plane ticket to the end of the  
world  
Who ever says 'the good die young'?  
All the boys are alive, all the boys are with girls,  
Time to give 'em what they're waiting for

If the drugs don't work,  
then you probably need more  
If the drugs don't work,  
then you probably need more

Time to give 'em what they're waiting for

Yeah, identify, identify  
Yeah, identify, identify  
Don't stand in line, no don't stand in line  
Identify, identify

Some things are out of my hands
