Before I go please know I'm trying
Trying to be a better man
Before I leave please don't get angry
Just dry your eyes and take my hand

I will make this right, oh I will try

Jenny, don't you cry
Close your eyes
Everything is gonna be alright
You're so young and still so free
Jenny, take my hand
I understand
I will try to be a better man
Without you there is no me
Jenny.

There is a boy
Inside me runnin'
From a man I've yet to meet
I see his face, it only scares me
I hope things change. eventually

I will make this right, oh I will try

Jenny, don't you cry
Close your eyes
Everything is gonna be alright
You're so young and still so free
Jenny, take my hand
I understand
I will try to be a better man
Without you there is no me
Jenny.
