Oh this suggestion may be a bit suggestive,
But I've had it on my mind all night.
and you're intensive but you're dying for attention,
Girl, it takes you just to feel alright.

It isn't real if it's just one night.
I'm trying real hard,
Oh just be real with me.

The love on my lips,
Sweetheart, I'm sorry but you're not the first,
With lust in my eyes.
I'll be undressing you with every word.

I think I'm coming on to something quick,
My words are flying right over your head.
There's a lot more to it than this,
I'm not just trying to get in your bed.

It isn't real if it's just one night.
I'm trying real hard,
Oh just be real with me.

The love on my lips,
Sweetheart, I'm sorry but you're not the first,
With lust in my eyes.
I'll be undressing you with every word.

So tell me now,
You've gotta let me know.
So come on & come on,
You've gotta let me know.
I'm about to explode.

The love on my lips,
Sweetheart, I'm sorry but you're not the first,
With lust in my eyes.
I'll be undressing you with every word
