What would you think if I sang out of tune
Would you stand up and walk out on me?
Lend me your ears and I'll sing you a song
And I'll try not to sing out of key

I get by with a little help from my friends
I get high with a little help from my friends
I'm gonna try with a little help from my friends
I'll get by with a little help from my friends

So what do I do when my love is away?
Does it worry you to be alone?
And how do I feel by the end of the day?
Are you sad because you're on your own?

I get by with a little help from my friends
I get high with a little help from my friends
I'm gonna try with a little help from my friends
Yeah, I'll get by with a little help from my friends

Do you need anybody?
I need someone to love
Could it be anybody?
I want someone to love

Do you need anybody?
I need someone to love
Could it be anybody?
Yeah, yeah, yeah

I get by with a little help from my friends
I get high with a little help from my friends
I'm gonna try with a little help from my friends
Yeah, I'll get by with a little help from my friends
