Didn't take your sleeping pills last night
Won't take them again tonight
I stayed up with the lights on
I'm gonna stay up all night
'Cause I don't wanna live that way

Didn't take your sleeping pills last night
Won't fall to coma again
I had enough of your nightmares
I'm gonna stay up with my friend
'Cause I don't wanna live that way

Cures against sleep & nightmares -- I'll leave them be
Cures against sleep & nightmares -- I'll leave them be

Didn't take your sleeping pills last night
Won't take 'em again tonight
I stayed up with the lights on
I'm going to stay up all night
'Cause I don't wanna live that way

Didn't take your sleeping pills last night
Won't fall to coma again
I had enough of your nightmares
I'm gonna stay up my friend
'Cause I don't wanna live that way
