[Intro]

Alright...

Shlohmo...

[Verse 1]

When it's us two

There is no one that can say or do

Anything to get between us, babe

Wish somebody would've seen us, babe

...who knew that you could just teach me something new?

Baby let me love you, yeah the scene gon' change

(Baby let me love you, yeah the scene gon' change)

Everybody else don't mean a thing

(Everybody else don't mean a thing)

[Hook]

Girl, I'm gon' do you, I'm gon' do you, I'm gon' do you,
I'm gon' do you,

I'm gon' do you right, I'm gon' do you right

Yeah... yeah...

I'm gon' do you, I'm gon' do you, I'm gon' do you,
I'm gon' do you,

I'm gon' do you right, I'm gon' do you right

Yeah... yeah...

[Verse 2]

Mary Jane and that burning light

We're all under the same thing

And we're about to start crying

Pick up your phone, baby, just call me

When it's us two

There is no one that can say or do

Anything to get between us, babe

Wish somebody would've seen us, babe

Who knew that you could teach me something new?

Baby let me love you, yeah the scene gon' change

Everybody else don't mean a thing

Everybody else don't mean a thing

Everybody else don't mean a thing

[Hook]

[Outro]

Okay, Iâ€™m in loveâ€¦ keep turning up
Itâ€™s your turnâ€¦ Iâ€™m in love, Iâ€™m in loveâ€¦
Say you do, donâ€™t say nothing
Wish somebody wouldâ€™ve seen us, babe
A lot of strippers changed, somebody shouldâ€™ve
touched
I love it when you love me, baby
I love it when you love me, baby
When you stroke me, take me right
You know I love thatâ€¦
When youâ€™re riding with meâ€¦
When youâ€™re riding with meâ€¦
When youâ€™re riding with meâ€¦
I need a lilâ€™ Bo Peepâ€¦ (let me see it, girl)
I need a lilâ€™ Bo Peepâ€¦
Iâ€™m down with them freaksâ€¦
