Intimate strangers, caught by surprise
their perfect faces tell no lies
intimate strangers, caught in the dark
their perfect loving, leaves no mark

We have no time to spare to be cruel or unkind
we have to make the best of what we find
no crosses to bare, no secrets to share

So what are you waiting for
aaaa, what are you waiting for
what we gonna do, about it

Intimate strangers, caught by surprise
their perfect faces, have no lines
intimate strangers, lonely cries
their perfect laughter, makes no sounds

we have no ties to break, no history to unwise
we have to make the best of what we find
no lessons to learn, no tables to turn

So what are you waiting for
aaaa, what are you waiting for
what we gonna do, about it

No crosses to bear, no secrets to share
so what are you waiting for, ooohhh
what are you waiting for, what are we gonna do about it

Intimate strangers, intimate strangers
intimate strangers, intimate strangers
