

The Mamas & The Papas "Boys and Girls Together"

Visit "[Boys and Girls Together](#)" on MotoLyrics.com

Boys and girls have a good time together
Boys and girls, you know they're birds of a feather
Like two sides of a coin, they are forever joined

Heads or tails, choose one or the other
Be my friend or be my lover

Boys and girls should always have someone
Boys and girls should never be lonesome

Heads or tails choose one or the other
Be my friend or be my lover
Like two sides of a coin, they are forever joined

Boys and girls have a good time together;
Boys and girls, you know they're birds of a feather
