All the leaves are brown and the sky is grey  
I've been for a walk on a winters day  
I'd be save and warm if I was in L.A.  
California dreaming on such a winters day

Stepped into a church I passed along the way  
Well, I got down on my knees and I pretended to pray  
You know the preacher likes the cold he knows I'm  
gonna stay  
California dreaming on such a winters day

All the leaves a brown and the sky is grey  
I've been for a walk on a winters day  
If I didn't tell her I could leave today  
California dreaming on such a winters day  
On such a winters day, on such a winters day
