

The Mamas & The Papas "Midnight Voyage"

Visit "[Midnight Voyage](#)" on MotoLyrics.com

On a midnight voyage
One that has no ending
And it's sending me
The things that I need

Far away from shore
Further than I've been before
But I feel the strength of the new sea
(Of a midnight voyage for just what you need)

Dreams come and go
And I sift through them
Love starts to grow
From the thoughts that I find within them

On a midnight voyage
Searching for my pleasure
Reaching with my mind for something I've dreamed
(Reaching with your mind for something you've
dreamed)

Loves come and go
And I dream through them
Dreams start to flow
From the love that I find within them

On a midnight voyage
One that has no ending
And it's sending me
Right into my mind

On

"Uh, turn back to the earphones
Could you turn the earphones off, please?"
"Turn the television set down, please"
"And turn the air conditioning off"
"And walk around the block twice"
"Three"

On

"Your late coming in"
"I was right with you"
"Sorry, my mistake"
"Two, three, four"
"Five alright? One, two, three"

On a midnight voyage

"You've got it"
"You like that Lou?"

Come on, let's take a midnight voyage
Let me take you on a little trip
Come on, come on
Oh, come on

Would you dare to take a little journey?
All aboard, all ashore
At your leisure take a pleasure trip
I'm sure you're sure
Everybody needs a pleasure trip
My friend, my friend
