I took one look at you
That's all I meant to do
And then my heart stood still

My feet could step and walk
My lips could move and talk and talk
And yet my heart stood still

Though not a single word was spoken
I could tell you knew you knew, yeah
That unfelt clasp of hands, told me so well, yeah

I never lived at all until the thrill of that moment
When my heart stood still, yeah
And I never lived at all until the thrill of that moment
When my heart stood still
