Strange young girls  
Covered with sadness  
Eyes of innocence  
Hiding their madness

Walking the strip  
Sweet, soft and placid  
Offering their youth  
On the altar of acid

Thinking these gifts  
Were sent by the dove  
All for the trip  
Accompanied by love

Gentle young girls  
Holding and walking  
Wisdom flows childlike  
While softly talking

Colors surround them  
Bejeweling their hair  
Visions astound them  
Demanding their share

Children of Orpheus  
Called by the dove  
All for the trip  
Accompanied by love

Thinking these gifts  
Were sent by the dove  
All for the trip  
Accompanied by love
