I fell in love with the string man  
Who played guitar in a rock n' roll band  
And every night I'd watch them play  
But it happened at the matinee

How I squirmed when he bent those strings  
And I screamed when he started to sing  
The way he moved and looked so groovy  
Well, ya know, he did something to me

String man  
String man  
String man

So I followed the string man  
Who played guitar in a string band  
And every night I watch them play  
And they got better everyday

Pretty soon and what do ya think  
Everybody's saying, they'e the biggest thing  
Hit records and making the scene  
Sexy pictures in the fan magazines

String man  
String man  
String man

I strung along with the string man  
He always called me his biggest fan  
Though he was kind, I should have known better  
Than to think we'd always stay together

And then one night the show was wild and loud  
And I saw a pretty girl out in the crowd  
She waved at him and caught his eye  
The way he looked at her it made me cry

String man  
String man  
String man
