That kind of girl would let you down  
That kind of girl will always run around  
That kind of girl's the kind that you always fall for  
My friend, your love is really a dull bore

Imagine your surprise when you look in her eyes  
And, baby, she's not there, she's freaking out  
somewhere  
And you think it's unfair, well, don't be so square

That kind of girl won't try to please  
That kind of girl would never get on her knees  
That kind of girl's the kind that thinks just of herself  
Your on your first and she's on her twelfth

Imagine what you'll find when you open her mind  
And there's nothing inside that should have made you  
cry  
She didn't have to lie and I'll tell you why

She's one of those girls, yeah  
Just one of those girls, yeah

Imagine what you'll find when you open her mind  
And there's nothing inside that should have made you  
cry  
She didn't have to lie and I'll tell you why

That kind of girl is just too strange  
That kind of girl ain't ever gonna change  
That kind of girl's the kind that makes you dizzy  
You'll always ask and wonder who is he

She's one of those girls  
She's one of those girls  
She's one of those girls  
She's one of those girls

She's one of those girls  
She's one of those girls  
She's one of those girls
