(Hook) Ganksta N-I-P "The longest grind-a-lot but smoke wit' a whole century" [K-Rino] How come y'all like to bother people on the black folk side of town We can't even throw a block party without y'all tricks coming around Everyday all they wanna do is hit you hard What you looking for? I don't sip no bar Ripping up seats in my brand new car Damn, man, y'all taking this shit too far Preposterous, just cuz of who I am I get harassed I just ask ya for ya badge number and damn you wanna blast Tryna shatter me and break me like a hammer to some glass Then slam you on the grass, even with that camera on the dash Mr. Gram of potent hash, my homegirl Pamela had stashed Flunked an exam from ghetto class on first day an amateur could pass He was mad because we had bang and was jamming it on blast I should have ran cuz I don't think his fat ass stamina could last They might follow for your dough to Mexico Hope your gun accidentally goes off and shoots you thru your own ass like Plaxico In 59 pieces of your vest will blow These police giving took-out everyday Keep harassing, you'll be the next to go (Hook) Ganksta N-I-P [K-Rino] These pigs use to wanna peel you Watcha' mean use? They still do Make no mistake cuz you live in the ghetto These polices is out to kill you The whole department is racist Pull you over in the darkest places When they walk upon you pull your piece and let it spark in their faces Go to the courthouse, everyday the same replay Satan in the form of the cops, the judge and the DA The truth is most black people are lacking info They never knew about the Willie Lynch Letter or Jim Crow They want you dead or locked up so they can come in hard Bloodshed, they never barge, they'll shoot you in your mama's yard We having a party, we done sewed up the whole block What's the occasion? A racist cop just got his ass popped! YAY!!! Some of y'all might think this just a song But this gon' keep on happening till y'all learn to leave us alone The next stunt will make the whole hood go crazy What kind of coward will use a taser on an old lady? (Hook) Ganksta N-I-P [Point Blank] Fuck dem laws (Fuck 'em) Tryna lock a nigga for a

whole century Put a nigga in jail and don't give a damn
what he plead They'll take your cash, strip your ass,
finger print and take your belt Make you bent over and
cough, goddamn I ain't got nuttin' else First of all I'm in
this bitch and I really don't even suppose to be I was at
the club chillin' and two mutherfuckaz lied on me Now
I'm fighting the case, pin a lawyer, and I still got bills on
my back I got caught up in some bullshit, real talk,
nigga I do this I suppose I should write my judge a long
letter And tell her I ain't coming back and she owe me
50 stacks And my daddy always told me "Never-never
get scared, nigga" Look 'em in their eyes, stand
strong, you a man, nigga So fuck it, two tails in the
bucket All the DA's, prosecutors and judge can suck it
Can't water cask for fucking killa Ready to murk, every
