Verse 1: Roll another mothafuckin blunt up and blaze it, I got the flame guaranteed to get everybody faded so if ya tryin to get real high, put ya problems to the side, and chill out fo a minute then come on and take it we gettin blunted, if you want it, coo but don't mistake it, the first one is on me so you can test and taste it cuz I love to high more than gettin wasted, and it help get me by when shit is complicated hurry and pass it, foo don't waste it, this ain't yo basic type of blunt weed, yes this is something, that'll probly have you feelin like I musta laced it up in a space ships, where I make this, type of music that some call outrageous eyes is low now, so when I flow now, sometimes it's hard so me to read the pages and I be smokin all day long gettin jaded, writin flows up in the studio or in the booth sweatin still be blowin out them clouds through the whole session, tryin to lessen depression but still we gonna break em on down with a little bit of that flexin styles like weapons and I'm gettin blazed cuz I'm stressin, you can tell by my expression- Hook: (2x) We gettin blunted, we gettin blunted (we-) we gettin money, we gettin money (ay-) We gettin blunted, we gettin blunted (we-) we gettin money, we gettin money (ay-) Verse 2: GetNDeep When it comes to this rap shit, I gotta have it, twist up a blunt spark it up and pass it with the music blastin, chillin with K, dawg the shit that comes out you could only imagine then poof like magic, light that flame up, smoke another blunt just to get my game up man I stay high better turn that gain up, up on the mic so I can tear this thang up bring it to back in the day, when everything was coo but now it's all strange I guess most people change, but I'm still the same person, fillin my time, constantly workin still I'm certain, about these paychecks I've been hurtin shit, lord knows man I've been cursin- hold on- but I gotta keep searchin yea, try to find a way out of these situations the problems keep stackin up, and right when you feel you've had enough you snap back from procrastination all across the nation just goes to show, it's not about doe man it's bout who ya know I'm so down to earth man I'm underground, I stay blunted,

stay kickin the Meticulous sound- Hook: (2x) We gettin blunted, we gettin blunted (we-) we gettin money, we gettin money (ay-) We gettin blunted, we gettin blunted (we-) we gettin money, we gettin money (ay-) Verse 3: Roll another blunt up cuz I just gotta have it, when I get pissed off smokin somethin is automatic so if ya tryin to feel better too, and fill up the whole room, with them clouds right now then come on and grab it we gettin blunted, if you want it then we gettin at it, buyin blunts over papers is a force of habit cuz that's all we ever had, never zig-zagged it, probly safe to say it that the boys an addict some I cheef it, some I bag it, stuff it into my jacket all day slangin, just to be maintainin, rollin one up for myself when I be stuck in traffic then I smash it, shit get drastic, when I'm rollin just knowin I might have to dash quick I ain't slowin down, ain't about to go down, won't let em catch me up like they did Kilpatrick I be takin it to a whole different level when I'm blazed back, you would never know it cuz we still rippin still focused on gettin, up into this game and just playin my position but still we gonna break em down with a little bit of that Midwest and rep the Mitten and I'm gettin blazed out cuz I'm slippin, why I'm smokin in repetition- Hook: We gettin blunted, we gettin blunted (we-) we gettin money, we gettin money (ay-) We gettin blunted, we gettin blunted (we-) we gettin money, we gettin money (ay-)
