If you were in my movie  
I'd have you as the doctor  
Small black bag  
And a big black coat

I'd have you make a house call  
To the woman  
You could lay your  
Diagnostic hand  
Upon her belly and her throat

If you were in my movie  
You could be the detective  
You could sit behind the desk  
With a question on your lip

Examine her for motive  
Investigate the scene  
In the ever present danger  
Keep the holster at your hip

If you were in my movie  
If you were in my movie  
If you were in my movie

If you were in my movie  
You could be the priest  
Long black frock  
White collar at the neck

You could come to the confession  
You could give a girl a thrill  
You could save her from her passion  
Keep her body in check

If you were in my movie  
If you were in my movie  
If you were in my movie

If you were in my movie  
You could be the gangster

Double-breasted pinstriped  
Man with the cigarette

Go running down the alley  
With a double-crossing blond  
Explaining to the jury  
That you hadn't done anything yet

If you were in my movie...
