Once upon a time
There was a little boy
I think this story is strange for you
Life styles of the rich and so famous
He is simply sick and tired of those
Clear blue sky is dyed bloody red
The lump of desire is dancing in the air
The inside of the world is changing rapadly
Tonight is the night, I gotta do to get outta here

Intoxicate me baby I'm rush
Rolling like a rolling stone and scream with me

Danger?

YEAH a hungry fly kiss your brain
Watch out!
YEAH you got your shield and sword
I'm your bad medicine(ohh)

Tick tick tack
Come and get me now
Baby I'm like a rabbit on the run
Hey Hey girl, are we ready now
Do you even know who you are?
I'm guess I'm trying to find

A sunny side up is dance, screaming in my mouth
Rolling like a rolling a stone and screaming with me

Loser!

(YEAH) I'm an animal in the suck
Bad man
(YEAH)My life is like a fairytail
Give me bad medicine

Come and get me while I'm hot
Let's your mind roam free
I want to drink your poison
Cuz, I'm your bad medicine

Intoxicate me baby I'm rush
Rolling like a rolling stone and scream with me

Danger?

YEAH a hungry fly kiss your brain
Watch out!
YEAH you got your shield and sword
I'm your bad medicine(ohh)

Loser!

(YEAH) I'm an animal in the suck
Bad man
(YEAH)My life is like a fairytail
Give me bad medicine
