Me and you
Better laugh in 20 years from now
With some perspective and dedication
I will find somebody new

But it better be someone special
Better be coming very soon
Better be for real this time
Oh I know - it always was with you

You or no one
I hope I'm wrong before I die
Of boredom
I want more than
Days and nights when I amuse
Myself alone

But he better be someone special
He better be devoted just like you
It better be for real this time
Oh I know - it always was with you
(Wih yoo-ou. with yoo-oo-oo-ou. with yoo-ou)

Friends forever, oh no
Another girl will change your mind
In less than
Half
The summer
So before you fall in love, I wonder
When
You asked for
Something that I couldn't give
You more of
Me and you
I talk as if it's now but nothing
Is new

But she better be someone special
She better be more in love than me
And if I was your brightest hour
She is now, as far as I can see
(See-ee.

As far as I can see.
As far as I can see.
She better be.
She better be.
She better be.
She better be.)
