I got some money in my pocket  
I got some time to kill  
I got some sunshine in a blue on blue sky

I got some bad news on my radio  
I gotta jam in the south town  
We go pick up an old girlfriend  
And see can we leave all this behind

'Cos I'm an anyway the wind blows rider  
With a dream like the river getting wider  
Yes, I'm love lost  
And I'm good times and bad gone by

I think I'll go down by the river  
It never fails to deliver  
That feeling of peace  
I can't seem to find in the city

'Cos I'm an anyway the wind blows rider  
With a dream like the river getting wider  
Oh, I'm sunshine and I'm a blue on blue sky

I'm a line from a low zone  
I'm a scene from a faded dream

'Cos I'm an anyway the wind blows rider  
With a dream like the river getting wider  
Yeah, I'm sunshine and I'm blue on blue sky

'Cos I'm an anyway the wind blows rider  
With a dream like the river getting wider  
Yeah, I'm love lost  
And I'm good times and bad gone by

'Cos I'm an anyway the wind blows rider  
With a dream like the river getting wider
