like a mother laying eyes on her new born baby
daddys full of pride and loves him like crazy
already bought a bat and ball for his frist birthday
like a star in the sky put there for wishing
skippin rocks and going fishing
skinny dippin in the river on a july day

I love you that way
i love you that way

like sand between your toes walking by the ocean
kiss me on the cheek just because you took the notion
hit me like a hurricain i was blown away
like a pure white snow on a christmas moring
fell in the night without warning
like hearing church bells ringing on a wedding day

i love you that way
i love you that way
ohhh i love you that way
i love you that way

i want to be with you when im old and gray
thats what i m really tryin to say

is that i love you that way
i love you that way

and i cant build you a palace fit for a queen
and give you all the pearls in the sea
all i really want from you is your name

i love you that way
i love you thta way
i love you ththat way
i love you that way
i love you that way
baby i love you that way
ohhh i love you that way yaaa
yes i love you that way
