I know that sometimes
You think I don't love you
And I can't act like
We just hit it all the time

And I can say, without a doubt
You're the only love I'll ever find

And in my own way, I love you
In my own way, I need you
In my own way
I got you and your love

There's a special place in my heart
It's occupied by you
There ain't no one on God's Earth
Gonna take your place

And I can say without a doubt
You're the only love I'd ever find

And in my own way, I love you
In my own way, I need you
In my own way
I got you and your love

And I can say without a doubt
You're the only love I'll ever find

And in my own way, I love you
In my own way, I need you
In my own way
I got you and your love

And in my own way
I got you and your love
