I may come on strong but that's what you like  
You like a female MC who can handle the mike  
How do I know? Because you told me so  
You instantly prefer a pro to supervise the show  
So that's why I'm here, don't mean to make a case of it  
This rap here, well, it's just for the taste of it  
I write the rap to make the whole world sing  
And I'm the type of female, well, I like to swing

MC Lyte likes swingin

Party people in the place, since you started the case  
Of a demonstration, I need concentration  
So you can make a full examination  
Then you will agree that I'm the best MC  
And so is my deejay on the tables, Rock  
This is the best jam that you could get  
The rap by Lyte and the beat by Stetsa  
(Beat by Stetsa) (beat by Stetsa)  
Never turn it down, cause it's what you requested  
Any mike I hold, you know the big man pressed it  
Sole believer in the rap I say  
You believe it too, that's why you never walk away  
You like the way I do it, you like my style  
Study me like a book, cause you know I'm worth your  
while  
Expressions on my face show you just how I feel  
Add a rap to my gestures, now you know the deal

MC Lyte likes swingin

Cause yo, I am the best and that I'll boast  
Sit down and be the guest, and I'll be the host  
It's wack to those that know and those that do not  
Like 'Coke is it' I hit the spot  
Like 'good vibrations', I'm like Sunkist  
The rap is smooth, cause it's sealed with chapstick  
Not gonna say that I been rappin since the day of birth  
But I've acquired the knowledge like Ms. Butterworth  
Ask me what's important, I tell you time and effort  
Ask me how I do it, it's Lyte's ??? method

Yeah, Lyte is good, Bud Lite's good for ya  
I'm exciting just like Toyota
