I've been thinkin' about the way
You've been doin' me, now for a long long time
When a woman acts the way you do
Well somewhere ya have to draw the line

Empty liquor bottles and crowded bar rooms
Seems to be your home
Now that I know the way you feel for me
I guess it's time for me to move on

I have tried everything
To make you see my way
But now I'm tired of being made a fool
I believe it's time I had my say, aw yeah

Empty liquor bottles and crowded bar rooms
Seems to be your home
Now that I know the way you feel for me
I guess it's time for me to move on

Goodbye woman, I'm leavin' you
So long heartache, so long
I hope you're happy somewhere
Down lover's lane

See you later, I'm gone
Goodbye woman, I'm leavin' you
See you later, I'm gone
