I'll always love my Mama
She's my favorite girl
I'll always love my Mama
She brought me in this world

Sometimes I feel so bad
When I think of all the things I used to do
How Mama used to clean somebody else's house
Just to buy me a new pair of shoes

I never understood
How Mama made it through the week
When she never ever got
A good night's sleep

Talking 'bout Mama
Talking 'bout Mama
Talking 'bout Mama

I'll always love my Mama
She's my favorite girl
I'll always love my Mama
She brought me in this world

A mother's love is so special
It's something that you can't describe
It's the kind of love that stays with you
Until the day you die

She's taught me little things
Like say, "Hello and Thank you, please"
While scrubbing those floors
On her bended knees

Talking 'bout Mama
Talking 'bout Mama
Talking 'bout Mama

I'll always love my Mama
She's my favorite girl
I'll always love my Mama

She brought me in this world

I'll always love my Mama
I'll always love my Mama
I'll always love my Mama
I'll always love my Mama

I'll always love my Mama
I'll always love my Mama
I'll always love my Mama
I'll always love my Mama

My Mama
She's my favorite girl
I'll always love my Mama
She brought me in this world

I'll always love my Mama
I'll always love my Mama
I'll always love my Mama
