You were sitting on a shelf  
Too proud to admit you need help  
What a waste  
Such a waste

Two loving sisters in a room  
Dodging threats by the thoughts of a few  
You don't care  
No, you don't care  
I'm not ashamed of my Jane

When the revolution comes  
We'll be beating on our drums  
And we're strong

You look so pretty in my room  
Broke the silence with velvet  
We prove we can change  
Yeah, we can change

Hook your sister with my friend  
Displays her proudly  
And all to pretend he don't care  
No, he don't care  
I'm not ashamed of my Jane

When the revolution comes  
We'll be beating on our drums  
When the peaceful union strain makes life easier

Oh, boys don't be afraid  
Who can be what can not be replaced?

What can not be replaced  
What can not be replaced  
Wide awake  
What a shame  
What can not be replaced  
Not ashamed  
What can not be replaced  
Of my Jane

What can not be replaced  
Look away
